Who does the Bible tell me I am in Christ?

Am I believing lies developed from my old patterns of thinking?

Jen Wilkin and friends give wisdom and perspective on this topic in their book, Identity Theft, Reclaiming the Truth of Who We Are In Christ

We will seek to answer this question by:

- *Exposing our false notions of identity
- *Understanding the biblical truth of our identity in Christ
- *Reflecting on what it looks like to live in our new true identity

Join us in an intimate small group led by Ardy VanGelder as we explore how knowing who we are in Christ changes every aspect of our lives.

Requirements for Participation:

- *attendance priority
- *class size limited to 5-7 - register early!

LBC | Biblical Counseling Ministry

Biblical Counseling Training

If you are interested in pursuing Biblical counseling training, please reach out to Cody Newcome for more information (cody@littletonbiblechapel.org). This is a wonderful way to equip yourself to minister with God's Word to your family, friends and inside the church. The ACBC training program not only enables you to help others but will minister personally to your own soul and grow you up in the Lord and the knowledge of His Word.

Marriage Mentoring

Are you newly married and feel you would like a little guidance as your relationship grows and changes? Perhaps you have been married long enough that busyness and complacency has created drift and your relationship is 'just OK'. Have you lost a child, in a blended family, or other major life event and would like to connect with another couple who understands the unique challenges you face? Maybe you are in a healthy marriage but want it to be even better.

LBC has trained marriage mentors with life experiences to encourage you no matter how you would describe your marriage. Mentors will be there to cheer you when you are doing well and help give attention to areas you want to strengthen so that small irritations don't become major issues. There is usually a lot of laughter and sometimes tears, as couples share from their hearts.

The plan is for a mentor and mentee couple to meet once a month for a year to explore topics

such as Money, Pace and Priorities, Gratitude and Forgiveness and others. You choose the topic each month.

To find out what people are saying about the Marriage Mentoring program or to learn more, please follow this [LINK](#).

If you would like more information about being mentored please contact one of the following:
