

Dear Parents,

Ms. Teresa’s class has placed chick eggs in an incubator, and they should hatch in 21 days. When they hatched all the kids will go down to see the baby chicks.

TWRA will come visit us to talk about the animals that live in TN. They will bring animals that have been taxidermied.

We will have Muffins for Mom on May 8th. Watch for more information.

Sunday Service

Maintaining the Ministry (Acts 6:1-7)

This week we are going to take a break from our studies from the Gospel According to Luke and focus on another letter written by Luke: Acts. As the early church developed, Luke recorded an issue that arose among the believers. It was an issue so big that it threatened the life of the church. The Apostles handled the situation in a wise way. Instead of fixing the problem themselves, they turned it over to some men in the church which allowed them to grow in their faith while allowing the Apostles to continue the work that God had for them.
