Every house needs a solid foundation—and so does every life. In the conclusion of Jesus' sermon in Luke 6, He tells the story of two men who built their houses on very different foundations. One stood when the storm came; the other collapsed. The difference was simple: one heard Jesus' words and acted on them. This Sunday, we'll look at what authentic discipleship really looks like and discover how coming to Christ, hearing His Word, and putting it into practice enables us to stand firm when the storms of life come. The question is: Which foundation are you building on?
