From our Pastor...

Dear Faith Family,

Wow! Our America is 250 years old this month! We are so very blessed to live in this awesome country. I know we are certainly not perfect and there is so much division in our country, however, there is no other country that comes close to America on any level. All one must do is travel to other countries and experience their way of life to know how great America is and this is especially true when it comes to third world countries.

The freedoms we have, the opportunities we have, the privileges we have are unmatched by any other country on the earth. Is it any wonder that millions of people have sought to come here. Sadly, we have experienced this phenomenon first hand in the last 10 or so years. God has so blessed us as a nation, and we have always been a Christian nation, with our constitution and laws built on Biblical principles. But this is being threatened today more than any other time in our history. And it is time we who proudly call ourselves Americans must stand up and speak up to keep our nation what God created it to be. I confess I'm not very political and maybe that describes you too, but since politics seem to control so much of what takes place in our country, I believe we are at a time when we need to become more involved politically.

Mary and I will be enjoying the mountains of Colorado during the month of July and we will really miss you all, but we will continue to pray for you. I know God will provide some great men to fill our pulpit while I am gone so please be faithful in your attendance and in your giving as our church's ministries continue through the summer. Also, I encourage you to go take a look at our new church building. Nearly all the metal studs are up and it looks incredible. Be sure you check it out.

Pastor Rick

Avoid the Riptide

*"There will be terrible times in the
last days. People will be lover of
themselves...lovers of pleasure
rather than lovers of God - having
a form of godliness but denying
its power. Have nothing to do
with such people." 1 Timothy

Recycling Projects... Empty Ink Cartridges & Alum. Cans

We recycle aluminum cans and use the \$\$ for missions projects. We can take any aluminum can but NOT foil or alum. pans. They won't take those items. Thank you for your help in these projects! Cans may be left at 311 W Charleston (Stafford's). Ink cartridges can be left in the yellow box in the church foyer. We recycle them and use the \$\$ for office supplies.

Check out your library! Your family should check out your church library. There are many fiction books, autobiographies & biographies...books on prayer and Bible Study...books for women and for men...and even some for teens and children. Check out some books to help you grow in Christ!

The library can be found at the building Downtown.

Praying Together...

Bro. Justin & Hannah Hoot - Bible Translators

"For now we are so grateful. Grateful that the level of extreme intensity of physical distress has diminished...for a wonderful community around us and solid resources to move forward in the right direction...for you all who have been fighting with us. Thank you for continuing to pray...as we step into the next phase of this long journey...as Justin continues to heal from myocarditis....as we continue the hard conversations and continue to dig deep in our relationship."

NOTE: We are not allowed to share their location for security reasons.

ValleyLight Church >> Michael & Devon Cooper...

WestFest was a great success! We had 4 mission teams that handed out thousands of flyers and had so many gospel conversations. We are praising God! Pray for the bi-monthly Tuesday Night children's event, Brave Unlikely Hereos, at the city park there in West Valley City.

*Pray they can make Jesus unignorable in West Valley & Magna, Utah!

Saturday, July 18th Men & Boy's Breakfast

Men's Breakfast is for all men and boys! Invite someone and come join us for a great meal and an even better time of fellowship. There may be a work project afterwards in the new building for those who can stay. Men, come grow closer to the men in your church and help grow the Kingdom!

*We will have meals once again for our Campers on Mission team beginning July 6th until they finish their work. There is a signup sheet in the foyer. If you can help with light lunches and dinners, please do! We need your help!

Bro. Craig Hobbs, Evangelist, & The Flame of Fire Ministry

"We have been on the border of Zambia and The Democratic Republic of Congo. The Zambian people in this area speak Bemba & the Congolese speak Swahili & French. We shared Christ in personal evangelism in "No Man's Land" between the two borders and conducted our FOFM Evang. Conf. with interpreters in many languages. It was a glorious experience! We then traveled to the central Zambia for our next conference & FOFM Crusade. Many people are professing Christ as their personal Savior. Others are returning to the Lord."

Pray for our Utah Missionaries!

Jordan Travis & company had the opportunity to sing on the main stage at West Fest in West Valley City. God has opened many opportunities for gospel conversations. Pray for Jordan & Jordan!
