From our Pastor...

Dear Faith Family,

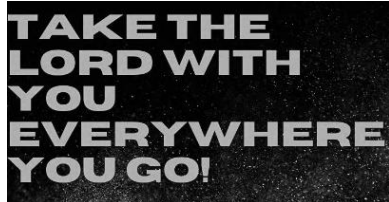

Summer is finally here. And with it comes all the cookouts, swimming, fishing, boating, vacations, and just plain family fun. Of course, I might mention NO SCHOOL! That was always the best part of summer to me. It's true that there are so many wonderful things about Summer, even for our church...Church camps, VBS, working on our new building, etc.

We have church camps for all our kiddos and please be sure you make sure your kids, and any other kids you know, make it to one of our camps. I know it cost money but if someone does not have the money for their kids to go, sign them up anyway and we will make sure they get to go. Listen, there is no way to describe the impact that a Christian camp can have on a child or a young person. Untold people met Christ at camp, in either receiving Jesus as Savior or coming to know Jesus on a deeper level, that impacted their lives forever. So, make sure all the kids and young people you know get to our camps because it will surely impact their lives for years to come.

Now there is one tiny downside to summer. The outgo of our resources goes to its highest level in the summer due to all the summer expenses. But also, because we often give when we are in church but forget to give when we are not. It's not really intentional, but never-the-less it happens and then we tend not to catch up on our giving. So please remember increased summer expenses keep going even when you are on vacation or simply gone for the weekend. I challenge you to plan ahead and leave your tithes and offerings behind (or use our online giving option) to be given when you are gone. This will greatly help our church finances. And of course, stay in fellowship with the Lord even when vacationing.

Well, I pray you have a marvelous summer, and you get to enjoy it to the fullest. You will all be in my prayers!!

*Mary and I love you all very much!!

Praying Together...

Bro. Justin & Hannah Hoot - Bible Translators

"I don't even have the words to express what Justin has been going through. We're trying to figure things out with his doctors and our community and give his body the support it needs. He's been struggling extra this past week." - Hannah, 5/17
Suffering is hard. Thankful for their obedience. Praying they feel the prayers of the Lord's army during this spiritual and physical battle they are going through.

NOTE: We are not allowed to share their location for security reasons.

ValleyLight Church >> Michael & Devon Cooper... Pray for upcoming Mission Teams. WestFest is June 16-19 and is a great opportunity to share Jesus with lots of people. Every other Tuesday - June 9 & 23 - ValleyLight Mission Teams are putting on Children's Backyard Bible Club-type events in different parks around the area.
