A BLESSING FOR FAMILIES

Families with two or more children pay for only one child — every additional child attends free. For example, a family of four pays for both parents and one child, and the second child comes at no cost.

COME AS YOU ARE

If cost is the only thing standing between you and this weekend, please don't let it be. Financial assistance is available and offered freely. Please don't hesitate to ask. We long for every member of our church to be there, no matter their circumstances.
