

PARENTS | MAY UPDATE

Guess who's back, back again? Anna's back... tell a friend! 😊

We're so excited to have **Anna Smith back from maternity leave**. She's been bringing baby **Myles**, and your students are loving this chunky boy!

Our goal with this email is **clarity and partnership**—helping you stay connected to what your student is learning and experiencing. As the school year wraps up and summer begins, we're excited for the opportunities ahead to invest in your student. Our team is back to full strength, and there's a lot to look forward to!

SUNDAY MORNING

SUNDAY SCHOOL @ 9:45AM

SUNDAY MORNING SERIES: The Miracles of Jesus

BIG IDEA: God is still performing miracles today. But what kind of miracles is He working now? We'll unpack this over the next several weeks as we explore some of the less familiar miracles of Christ.

DON'T FORGET! There's a class for you! Check out the Parents With Youth class on the second floor of the adult building (above Fusion). Each week we go over the same content your students are learning to help create meaningful conversation and growth at home.

WEDNESDAY NIGHT

CROSSOVER @ 6:00PM

SERIES: No Place Like Home

BIG IDEA: Every heart longs for a home that fully satisfies. Earthly homes are broken by sin, but God has built an eternal home for His people from the very beginning.

KEY TEXT: John 14:1-2

CONVERSATION STARTERS FOR HOME:

In what ways do people try to create a "home" apart from God? How does knowing heaven is our true home change how we live right now? What would it look like for our family to reflect God's kind of "home" this week?

🙌 RECENT WINS

We've had several students sharing at gatherings in our schools, and we've also had opportunities to go into schools and share short devotions during lunch.

Just last month at **Ardmore Take Two Academy**, we met with several students and invited them to church. Two students came—and one gave her life to the Lord!

Each week at Crossover, we are committed to pointing students to Jesus. We encourage you to look for opportunities around you to share, invite, and engage others alongside your student.

🤝 EASY WAYS TO JUMP IN

PRAY: For a powerful movement of God this summer—for wisdom and strength for our team, and for students to be deeply impacted and disciplined.

ENCOURAGE: Operation: Early Bird Gets the Worm! Sign up for Falls Creek early to save money and help your student get the most out of camp. Encourage your student's friends and their families to sign up as well—don't delay!

SERVE: Pray about helping with one of our biggest events of the summer: Crazy Summer Nights (June 21–24, 6–9 PM each night) There are plenty of ways to serve, and we'd love for you to jump in and be part of it!
