MINISTRY WHY

I have a heart for God's people, and I love to serve the body in whatever ways are needed. I love doing "on the ground" ministry, fulfilling practical needs, and working directly with people. My areas of passion include missions, young adults, youth, community building, leadership, and discipleship.

ACADEMIC BACKGROUND

Graduated Cum Laude with a Bachelor of Science in Nursing from Oral Roberts University in 2022.

Currently enrolled in the Ministry Residency program at Evergreen Baptist Church, serving in the Young Adult department.

WORK EXPERIENCE

- Ministry Resident – Evergreen Baptist Church – 2025-current

1,000 hours of hands on ministry experience and 12 seminary style classes over the course of one year.

- Registered Nurse – Hillcrest Medical Center – 2023-2025

Delivered comprehensive and individualized patient-based care, including administration of medications, collaborating with interdisciplinary teams to advocate for best practice care, and directly providing that care via medical procedures, education, and compassionate action.

- Head Chaplain – Oral Roberts University – 2020-2022

Served as a small group leader over 5-7 Chaplains, led weekly team meetings, provided direct, spiritual, and peer-counseling support to those on my team, wrote and collected progress reports of the work we were doing, and handled

administrative work enabling my Chaplains to focus on their on-the-ground outreach to their residents.

- Chaplain – Oral Roberts University – 2019-2020

Served as a spiritual support and peer counselor for a residence hall of 24-30 women. Led monthly activities to promote community building among residents and gave a weekly word of encouragement during hall meetings.
