londonrowlan@gmail.com

God changed my life when I was very young and has grown me and helped me through a lot, He has given me a deep love for my community and for building meaningful relationships. He called me to ministry at FallsCreek after helping a friend to go to the alter call. Discipleship and service are at the center of my calling, and I strive to glorify God in every opportunity to encourage, equip, and walk alongside others in their spiritual journey.

I am passionate about spending time with friends, cherishing life with my wife, and being actively involved in the church.
