

# Upcycle (verb):

To creatively reuse an item that might otherwise be thrown away and turn it into something new, useful, or more valuable.

## #KSBUPCYCLECHALLENGE

<b>1</b>	<b>Find It</b> Look for an item you would normally throw away – plastic containers, old clothes, glass jars, cardboard, packaging, and more.
<b>2</b>	<b>Imagine It</b> Think about how you can turn it into something new. Can it become something useful, something fun, or both?
<b>3</b>	<b>Create It</b> Transform your item! Use creativity, paint, cutting, building, sewing – whatever brings your idea to life.
<b>4</b>	<b>Share It</b> Show us your finished project and tell us what you reused. Inspire others to see trash in a new way!
