GENERATE

BY YM360

MUSIC, MOVIES, & GAMES: From the moment that we arrive at camp until the moment that we leave camp to go back to Texas, no game devices will be allowed.

CELL PHONES: They're a great way to share camp experiences with your world, but please be a minimalist when it comes to phone usage. We want all campers to experience camp without being distracted by electronics, so refrain from phone usage except for photo-taking, Bible usage, and some social media uploads. **MOVIES, REELS, YOUTUBE WATCHING, AND GAMING are OFF-LIMITS during camp.** If your phone becomes a distraction for you, it will be taken up.
