# Parents Letter May 2026

*Here are some details/dates for you to think about now and into May and June.*

**AUCTION/FISH FRY:** Sunday A.M., May 31, 2026, after morning worship, we'll have a fish fry and auction at the church. We'll spend the Bible Study hour prepping for the lunch and auction, so be here no later than 9:30 a.m. to begin working. If you have any valuable items which you think will auction, bring them to me or Ray Larson at the church by May 27. This is not a rummage sale. We'll primarily auction off new goods and services. However, there may be a classic something or another which you think would auction well, so bring it for us to consider. New and used guns are always good. If you'll visit some businesses around Palestine or in surrounding towns to solicit donations, we'd appreciate your legwork. We have donation letters at the church. Students who'd like some of the earnings from the auction/lunch will need to work the auction/lunch. Parents, you can help as well by picking up donations, volunteering during the lunch and/or auction, and baking homemade desserts to auction in a presentable container.

**Sunday, May 31**

**CAMP COST:** Camp costs \$461 which includes camp lodging, camp booklet, all camp and travel meals, gas, and a t-shirt. Snacks and souvenirs and extras are the responsibility of the individual. Dogwood Hills has paid \$104 of that cost for 35 people. People on the waiting list do not have this \$104 discount unless they take the place of someone who drops out.

**HOW TO PAY:** [DogwoodHills.org/GENERATE](http://DogwoodHills.org/GENERATE)

You can pay at the link above, or you can pay by cash or check. If you pay at the link, just know that we incur fees, so please throw in at least 3% more to cover the fees. At this time, everyone should have paid a \$50 deposit and a 2<sup>nd</sup> payment of \$75. If you're behind, you can pay at the link above. Please complete all deposits and 2<sup>nd</sup> payments ASAP. In May, I will contact parents who are behind on the schedule.

**NOTARIZED GENERATE FORMS:** GENERATE Camp by YM360 requires their Waiver & Release form to be notarized with a parent present. You can take care of that yourself, but we'll have a notary available on Sunday, May 3 and Sunday, May 31 after morning worship. Your child cannot go to camp without this form completed/notarized. Copies are available at the church, or you can print out the PDF at the link above.

Notary present  
Sun., May 3 & 31

**REGISTRATION:** A few of you have not completed the General Registration for the church. This is separate from the notarized form. I need this church registration ASAP. You can (1) complete it online if the website cooperates; (2) print out the online PDF form, complete it, and turn it in; or (3) pick up a physical copy at the church and complete. See the link on the front for online registration.

**REFUNDS:** Dogwood Hills Baptist Church paid \$104 per person to secure spaces for camp for 35 people, and this church deposit was non-refundable. Because of this, your first \$104 paid to the church is non-refundable unless someone takes your spot and pays. June 1, 2026, is the last day to cancel and get a refund for any money paid above the first \$104.

**WAITING LIST:** I have 35 spots reserved for camp which are all taken, so I've started a waiting list. You can get on the waiting list by registering and paying the \$50 deposit and \$75 second payment to stay on schedule. All of this money is completely refundable unless you get moved from the waiting list to the main camp list. At that point, you'll follow the REFUNDS section above. By June 2, I should know whether we have an opening or whether GENERATE can add any spots for our group.

**SCHOLARSHIPS & DISCOUNTS:** We'll do partial scholarships as much as we can. Talk to me about any available scholarships. We plan to take 35 people to camp, so we need parents to do their part to help their kid(s) get to camp. Doing your part can be encouraging your child to be creative in making money for themselves which I've seen happening this year. If you have 2 or more kids going to camp with us, you'll automatically get a \$25 per person discount after your deposits & 2<sup>nd</sup> payments are in.

**SPECIAL NEEDS:** If you have a special need such as a dietary restriction (sugar, gluten, dairy) or a physical restriction, please print and fill out the SPECIAL NEEDS form at the link on the front. Of course, it is available at the church as well.

Due Sun., May 31
