

## MIND GAMES | TAKING EVERY THOUGHT CAPTIVE

We face the attacks of the adversary every day. We can see the external attacks and brace ourselves to respond and defend; the internal attacks are harder to identify and easier to let go unchecked. Your thoughts will shape your life, and with God's help, you can replace destructive thinking with life-giving truth. If you are seeking clarity, greater resilience, and a stronger walk with Christ, this retreat will help you fight back against anxiety, negativity, and doubt, and step into the peace, purpose, and joy God intends.

The apostle Paul urges us to *'take every thought captive and make it obedient to Christ.'* Using Craig Groeschel's model to 'win the war in your mind,' we will talk about:

### Reframing, Rewiring, Renewing, and Rejoicing.

- Removing lies and replacing them with God's truth
- Rewiring your brain and renewing your mind
- Reframing your mind and restoring your perspective
- Reviving your soul and reclaiming your life
