PRAYER FOCUS | OCTOBER

Pray regularly for West Park's global partners on the front lines of ministry around the world. Ask God to encourage and protect them today.

Andrew & Taylor Caudill – Live Global
Children: Elijah, Isaiah, Joanna, Josiah
Praise for...

- Andrew had a great Sabbatical. With more time he was able to say YES to more prayer/reading, YES to more serving/leadership opportunities at church, YES to discipleship opportunities, and YES to more time with each kid individually and as a family. He feels rested and ready for what God has planned for him.
- The rehabilitation efforts in Nepal following the devastating flash flooding—we are amazed with our teammates who live there!

Pray for...

- Wisdom for Andrew as he jumps back into Live Global this month.
- Our kids—one, in particular, seems more opposed to spiritual matters than the others. Overall, we are so thankful for them and for how they are developing and maturing.

- Cuba - Children's Camp | Santa Clara, Cuba | October 7–11
- Our upcoming Children's Camp in Santa Clara. A team from West Park will be on the ground in Cuba October 7–11, coming alongside Rhode and the Reaching Generations team as they host a special camp for 100 children from across the island.
- These children have spent the past two years learning Scripture, memorizing Bible verses, and participating in Bible competitions to earn the opportunity to attend this camp. We are so excited to celebrate their hard work and, even more importantly, encourage them to continue growing in their knowledge and love of God's Word.
- Rhode and her team as they prepare, for all the final logistics and transportation, for safe travel for the children and our team, and that God would use these days to make a lasting spiritual impact in the lives of each child.
- Cuba - Pastors & Ministry Leaders Conference | Las Tunas, Cuba | November 30–December 7
- Our upcoming Pastors & Ministry Leaders Conference in Las Tunas. We will have a team of 22 people going to Cuba with the desire to encourage, strengthen, and pour into pastors and ministry leaders who have been faithfully serving in incredibly difficult circumstances.
- There are many moving pieces involved in bringing this conference together, from travel and transportation to supplies, schedules, meals, accommodations, and countless other details.
- God would go before us in every detail, give us wisdom and discernment as we prepare, and remove obstacles along the way. Most of all, pray that these pastors and ministry leaders would leave the conference refreshed, encouraged, strengthened in God's Word, and reminded that they are not serving alone.

- An amazing summer and several ministry opportunities outside my “job.” They were deeply encouraging and challenging in the best ways. I’m thankful for these “extras” that my schedule allows.
- A much needed and much prayed for new vehicle which I am hoping will the rest of my missionary journey over the next 15ish years!

Pray for...

- My hip and nerve pain continue to persist. I have been to many healthcare professionals, and while some treatments “help” nothing seems to be getting to the cause of my ongoing issues. My colleagues have put me in touch with our AMG Hospital in Thessaloniki, and I’m hoping to travel there and have many people help to figure this out at one time.
- Several trips coming up in the next months: (a) Malaga, Spain for the ABWE Western European Missionary Conference, where I help run the logistics so the missionaries can all enjoy their fellowship, training and enrichment; (b) I hope to travel two other times to encourage and help friends in the ministry who need an extra set of hands. Pray for my health and for me to be able to help lift some of the burdens off the shoulders who carry them every day.

- We thank God for good health and energy in our recent combination of travels. He even blessed us with an upgrade on a flight when we really needed to sleep!
- New partnerships started between churches and national partners! This is so encouraging for the partners, the churches, and us.
- Deep steps of growth in our recent Discipleship Camp with four national partners and their disciples.
- Guidance around the many requests and needs of 2027. We need wisdom to know where God wants us to be.
- Protection for our partners in the Middle East as they press into new territory with intense security in fragile settings.
- As we participate in the Global CHE Conference and Council Meetings in Chiapas, Mexico Oct 10-18. We will be joined by new Live Global workers and a Live Global partner. Pray that God will lead us in how to partner with Community Health Evangelism to strengthen Live Global and benefit national partners.
