## Sermon Notes

### PREVENIENT GRACE

BEV HANSEN, LAY LEADER & CERTIFIED LAY MINISTER

October 18, 2026

Isaiah 45:20-25

Luke 19:1-10

WHAT IS GRACE? Grace is God's free and unmerited favor towards humanity.

### Three Types of Grace

Prevenient - the all-encompassing presence of God in all people, before our acceptance of faith or our response to divine revelation. It is God's saving activity to draw us into a relationship with Him.

Justifying - the gift of salvation that is ours through faith and apart from any merit.

Sanctifying - ongoing as we live out our faith by following where God and the Holy Spirit lead us.

**PREVENIENT GRACE** is God's divine love that surrounds all humanity and precedes any of our conscious impulses. No one is outside of God's love and God's saving activity.
