Who are Christ Community Church and the Presbyterian Church in America? What are our values? What is our view of the gospel, the church, and the Sacraments? What is our Philosophy of Ministry? How can I get connected to this church family? While this class is a required seminar for adults desiring to join CCC, you do not have to be new to CCC to take this class. God's Big Story

Sanctuary

Pastor Jonathan

In this spring ADS we will get to know God's great BIG STORY of redemption. "Beginning with Adam in the Garden of Eden, and ending with Jesus our risen Covenant King, explore how covenants carry the Bible's story from start to finish and ultimately give root to the gospel of salvation by grace."

Join us this spring as we study the Book of Hebrews. The Book of Hebrews was written to Christians who were enduring tough struggles. The Book of Hebrews will show us that Jesus is better than the Old Covenant, better than the angels and better than giving up!

Honest Evangelism

Room 8

**Randy Gordon
Jim Perry**

Honest evangelism does not require pressure, polished arguments or pretending, instead, it calls Christians to be honest about their own faith. In this class we want to encourage you to trust God, to trust the Holy Spirit to speak naturally about Christ and invite others to consider the life, death and resurrection of Jesus where you live, work, and play.

As our model, Nehemiah first depended on his personal piety, then about 4 months in prayer with tears and fasting to develop an intimate relationship with God Who directs our steps. Nehemiah understood the Leadership Principle of doing 'First Things First'...then 'One Thing at a Time.' Our Creator God rebuilt the Temple and His People through Nehemiah. He is showing us how to build His miraculous and glorious Kingdom, One Thing at a Time.'
