

Lesson 3

Questions

Directions: You need to answer 2 questions from 1-3. Please number your answers on your submission with the same number from below

1. Do you believe in God? Why or why not?
2. What are the most prominent features of God? If you are an agnostic or atheist, what is not God? Omniscient? Omnipotent? Omnibenevolent? Creator? Can the nature of God be known? How?
3. Choose one of the traditional proofs of God's existence and work it out in detail, answering objections and making the argument as irrefutable as possible.
