

Lesson 6

Questions

Directions: You need to answer 4 questions from 1-5. Please number your answers on your submission with the same number as below

1. Explain who you are to a visitor from another planet.
2. Jean-Paul Sartre asserted, "Hell is other people." Do you agree or disagree?
3. What do people mean when they claim, after a significant life event, "I am an entirely different person now"? Are they saying something that is true?
4. Does your race or gender signify an essential part of your self? Why or why not?
5. Does a newborn baby have a self? Does a preborn baby have a self?
