SAMARITAN'S PURSE OPERATION CHRISTMAS CHILD SHOEBOX PROJECT

Thank you for your continued support of the shoebox ministry. We are still collecting items and lists are located beside the collection baskets in the foyer and back hall. You may also donate $10 to cover postage. If you are donating your own shoebox (s), please have them to the church by Wednesday, November 11.

Join us on Sunday, November 15 at 1:00 p.m. for the annual Packing Party. We assemble shoeboxes with the items that have been collected throughout the ear. Last year, we assembled 157 shoeboxes and contributed a total of 212. Let's go bigger this year!

LEAD PASTOR

Rosemont Family,
As I look back over these past several months, one of the words that continually comes to mind is "**grateful**."
There have certainly been some difficult transitions and challenging moments along the way, and through all of them, you have loved my family and me incredibly well. Your prayers, encouragement, kind words, patience, and faithful support have meant more than you know. Thank you for loving us, standing with us, and continuing to believe in what God is doing through Rosemont Baptist Church. It is a privilege to be your pastor.
And Church, **God is doing something among us!**
Each Sunday we are blessed with a number of guests, who walk through our doors. representing someone God loves, giving us an opportunity to build new relationships, connect them with the life of our church, and share the Gospel.
I am incredibly thankful for what God is doing in our worship ministry. It is exciting to watch the partnership between Beecher, our Praise Team, Dustin, and the choir. They are complementing one another - bringing together their different gifts for one purpose; leading people to worship Jesus Christ. I am grateful for their leadership, and every person who faithfully serves in that ministry.
There is a fresh sense of excitement and I hope you feel it too. But, what excites me most: **I do not believe God is finished.**
I am thankful for what He has already done, but I am even more excited about what I believe He is **going to do**. I believe there are more people to reach, more lives to be changed, more believers to baptize, more families to disciple, and more opportunities ahead of us than we can presently see.
So, Rosemont, let's keep praying, inviting, serving, loving people, and above all, let's keep making much of Jesus!
The best days may very well be ahead of us. I cannot wait to see what God does next!

I love you, church!

Pastor Schylar

FAMILY MINISTRY

Rosemont Family,
Another school year is upon us! I hope everyone has had a great back-to-school experience! Parents and grandparents, I know no one is probably more excited for shcool to be back than you are! You survived another summer!
We had two incredible camps this summer that I'd like to mention. First, the youth went to Generate Camp at Western Carolina University. They had such an amazing experience! Every single one of our students rededicated their lives to Christ on that trip! A few days later the kids left for camp at Cedarmore. As always, Cedarmore did not disappoint! The kids had an incredible time growing closer to God and learning more about His love for them. Thanks to Karen Proctor, Monte Dailey and Matt & Samantha Proctor for leading these two trips while I was on paternity leave.
I'd also like to take this opportunity to thank a very special couple at Rosemont. For nearly 45 years, Randy and Susan Byzet have taught the Sunday School class for 4- and 5- year-olds. They even taught children of the children they taught decades prior! Even when Randy had to step away from the class a couple of years ago due to other Sunday morning responsibilities at the church, Susan kept on teaching that class. At the end of August, Susan retired from teaching the 4s and 5s Sunday School class, after four and a half decades of faithful mnistry.
Thank you, Susan and Randy, for your dedication to the preschool department at Rosemont for nearly two generations!
As always, if you have any questions or concerns that I can help with, please reach out to me anytime!

WORSHIP LEADER

What's Happening in Worship at Rosemont
First, I want to give a big shout-out to Dustin and our choir. They have been doing a great job, and I really appreciate the time and effort they are putting into learning new music and helping lead our church in worship. It has been exciting to see the choir grow and to see their enthusiasm for what they are doing. We are blessed to have Marilynn at the piano. She does such a great job, and her playing adds so much to our worship services. I know there is a lot of preparation that goes into what she does, and I am very thankful for her willingness to share her gifts with our church.
Our band deserves a big thank-you as well. These folks continue to show up, practice, learn new songs, and work together to help lead us each Sunday. It takes a lot of dedication to be part of a worship band, and I appreciate every one of them.
Speaking of new songs, I love that we are continuing to learn new music as a church. Sometimes learning a new song takes a little time, and maybe a few Sunday mornings before everybody has it down! But that's part of growing together. We want to continue adding songs that help us worship, encourage us, and point us toward Jesus.
We are also continuing to work on upgrades to our sound system. Our goal is pretty simple: we want things to sound better for the people sitting in the sanctuary and for those joining us online. We are working through improvements as we can, and I appreciate everyone's patience as we make these changes. Good sound may not be the most noticeable part of a worship service when everything is working right, but it makes a huge difference when it isn't!
One of the things I enjoy most about being part of the worship ministry at Rosemont is seeing how many people are willing to serve. Some people are up front, some are behind the scenes, and some are doing things that most people never see, but all of it matters.
So, to Dustin and the choir, Marilynn, the band, our sound and tech team, and everyone who is learning, practicing, setting up, tearing down, and serving in all the little ways that make Sunday happen. Thank you!
I also want to brag about my wife, Lorra, for a minute. She has been doing a great job helping train our ministry volunteers in CPR. We talk a lot about serving people spiritually, but being prepared to take care of someone when they need help is an important part of ministry too. I am really proud of her for investing her time and experience into helping our volunteers be prepared.
I am excited about where our ministry is headed, and I'm thankful for the people God has brought together to make it happen. God is doing great things at Rosemont, and I'm blessed to be a part of it!
