

## PERSONAL REFLECTION QUESTIONS

### **Matthew 21-23: Clash of Kingdoms - Confronting Power, Pride, and Empty Worship**

**Sermon:** Matthew 21:12-22

**Date:** Sunday, June 7, 2026

Throughout his sermon Pastor Jared posed many thought provoking self-reflection questions. Think through and answer these questions for yourself personally.

- Are we unknowingly creating any barriers that are preventing people from coming to know Jesus by the way we act and treat others?
- When it comes to living out the mission of God, do our lives look more like the religious leaders or Jesus?
- What kind of church and people do we want to be?
- Is there anything in our lives that has become more precious to than our relationship with Jesus?
- Is there anything in my life that is competing for the rightful place that belongs to God alone in my heart?
- Is there something that is consuming my thoughts, driving my decisions, or giving me irrational anxiety when it is threatened?
