

VALUES

Core values are the stated guidelines for a team's behaviors. Below are our statements of how the ministry staff, elders, and leadership team will work together to accomplish Christ's mission.

The Holy Spirit Leads the Way

We pray first, listen humbly, and when prompted, move forward with peace.

We Guard Unity

We align around what matters most through the bonds of trust and honesty.

We Lead by Serving

We lay down our preferences and are loving and generous to each other above ourselves.

We Choose Joy

We delight in God and each other, maintaining hope and celebration—even in challenges.

We Respect Each Other

We listen well, value every voice, and speak with honor—even when we disagree.
