

FIRST TIME IN THE SNYDER KIDS NURSERY?

The Nursery at Snyder Kids, for babies and toddlers, ministers to our youngest children. We provide your child with attentive physical care and discipleship in a fun, safe environment. Please review our guidelines regarding what to bring, what to expect, and our check-in procedures.

WHAT TO BRING

When packing a diaper bag for your child, please include the following items:

- 2 or 3 diapers
- A complete change of clothes
- Bottle of milk, formula, or water

Please bring a smaller bag to church, as our cubbies have limited space. Please label all personal items (including pacifiers and tippy cups) with your child's first and last name before you come to class. This helps us keep track of your child's items.

WHEN YOU ARRIVE AT YOUR CHILD'S ROOM

At the time of check-in, your child will receive an adhesive name tag to be placed on your child's back with his or her name on it. We'll note your cell phone number so we can text you in case we need to contact you.

After you have completed the check-in process, proceed to the correct room. A nursery leader will meet you at the door to receive your child, diaper bag, and any other items. To help keep her rooms clean and safe, please do not enter the rooms. As you know, it is normal for a little one to cry when a parent leaves. Our leaders will immediately create interest in a toy or activity and give assurance that you will return. If your child cries for an extended period of time, we will text you.

When you return to pick up your child, we will verify your security badge matches your child's name tag, then release them to you.

WHAT WE PROVIDE

SNACKS

Snacks are provided for toddlers and preschoolers. The snack items consist of Cheerios, animal crackers, or goldfish. If your child has an allergy, please inform the leader when your child checks in.

CURRICULUM

We know that even the youngest child is constantly learning. Bible lessons are planned and reinforced with songs and fun and activities designed with the ability of the children in mind. We teach the Bible to all ages of children. We also send home a Parent Cue page that helps parents continue teaching the Bible to their children at home.

OPPORTUNITIES FOR PARENTS

NURSING MOTHER'S ROOM

We love children at Snyder and want your family to feel cared for. With that in mind, a Nursing Mother's Room is available in the Cammack building, right across from preschool check in. Mothers may comfortably view the service from a television monitor while they care for their infants.
