

Gayle Garringer – Testimony

My family didn't go to church, but my Grandma taught me about Jesus. One night I came across Billy Graham on TV. He taught how I have a Heavenly Father who loved me. I never knew my earthly one. He told me how God sent His Son to pay for my sin that I might know Him. So I received Him as my Savior at age 12. He's been with me ever since. We moved a lot but after I got married and started a family I knew we needed to be in church. I wanted my kids to learn about Jesus. My husband's family went to the Bible Baptist Church. I learned I needed to be Baptized into Christ. So I did at age 20. Followed Christ ever since. He's been so faithful to me.

I have been coming to Lighthouse for about 16 months. I moved to Xenia after losing my husband of 55 years. Pat and Bill Benysh at Wright Place Apartments invited me to Lighthouse. They prayed with me and encouraged me to attend the grief share class. I love Pastor Josh and how he preaches the word of God. How he shepherds His flock and teaches other young men how to serve God.
