

Lynn Terrill Deacon Candidate

I was raised in a Christian family and became a Christian at the age of 11 while attending a Baptist summer camp. Since becoming a part of God's family, I have sensed His Spirit teaching me, watching over me, calling me in different areas of service, and giving me a hunger for His Word and a desire to be obedient to His Word. His Spirit called me/us to serve overseas as a missionary of the IMB/SBC for 27 years and an additional 7 years in their home office in Richmond, Virginia, in the Finance Department. After retirement from the IMB in 2015 we continued living in Richmond and serving in a local Baptist church. In 2024 the Lord blessed us richly with the opportunity to move closer to our family in the Aldie VA area.

Over these many years He has blessed me with seeing and experiencing His wondrous works in many locations and local churches. Having previously served as a deacon in a few other churches, I have been blessed with seeing His love and care for His people. Since joining Centreville Baptist Church in December of 2024, I have been encouraged by the faithfulness in the proclamation of God's Word, the faithfulness and service of His people and the faithfulness of His Spirit in answering many prayers from His people. As a member of this body, I am grateful to serve alongside others in Global Missions, Finance Ministry and hosting a Community Group. This body is a wonderful blessing to me and my wife Glenda. If this body asks me to be an active deacon within their fellowship, then I am willing to do so as unto the Lord. My goal in serving would be for the building up of His body and the expansion of His Kingdom.
