

Dear Parents of Middle and High School Students,

During the month of May, our student ministry finished its study of 1 Peter at Highlight, continued exploring the Theology of Salvation during Student Equip, worshiped together, enjoyed outdoor games, and gathered around fire pits in the courtyard for s'mores—all for the glory of God! (See pictures below.) Check out this month's Parent Letter to see what's ahead in June.

### **Student Equip**

This Sunday, June 7, our students will conclude their study on the Theology of Salvation. The following week, we will begin a two-week series titled Fighting Temptations, which will bring us to the end of our ministry year.

Please note that there will be no 9:00 AM Student Equip programming during the month of July. See the June schedule below:

- June 7 | Theology of Salvation (Session 5: Saints Make It to the End)
- June 14 | Fighting Temptations (Session 1: Our Enemy: Indwelling Sin & the Tempter)
- June 21 | No Student Equip (Father's Day)
- June 28 | Fighting Temptations (Session 2: Our Friend: The Triune God)

### **June Highlight Schedule**

Can you believe there is only one more Highlight gathering before the end of the school year? Here is our Sunday night schedule for the month of June:

- June 7 | [Songs on the Lawn](#) (Church-Wide Event)
- June 14 | Highlight End-of-the-School-Year Cookout
- June 21 | No Highlight Gathering (Father's Day)
- June 28 | No Highlight Gathering (Students Depart for [Summer Camp](#))

### **Summer Mission Opportunities**

We have several opportunities for our students to be on mission for Christ this summer—locally, domestically, and internationally.

First, save the dates for Kids Summer Jam, which will take place here at Centreville Baptist Church on July 13-16. Students are encouraged to sign up and serve. You can register using [the link provided here](#).

We are also organizing a missions opportunity for our middle school students in Maryland from July 18-21. Will Gatling has connected us with a church planter who is seeking help with local outreach efforts. We are looking for a few parent chaperones who would be willing to serve alongside our students. If you are interested, please email me at [justin.lorig@centrevillebaptist.org](mailto:justin.lorig@centrevillebaptist.org).

Finally, we will be taking a team of high school students to Toronto on a mission trip this summer. We have extended the application deadline by one additional week. If your high school student is interested in joining us, please have them complete the application [linked here](#).

### **Recommended Resource of the Month**

Last but not least, here are a few recommended resources if your family is looking to do some summer reading.

For younger readers, check out this article ([linked here](#)) from The Gospel Coalition, where Andrew Spencer shares several book recommendations for children ages 8-13.

If you're looking for a family devotional resource, consider [10 Questions About the Bible: 30 Devotions for Kids, Teens, and Families](#) from Crossway.

For students who want to go a little deeper, I highly recommend [Who Am I? Identity in Christ](#) by Jerry Bridges. This book helped shape our summer camp theme this year and would make an excellent follow-up read after camp!

As always, if there are any ways I can be praying for you or your family, please do not hesitate to reach out.

By God's grace and for his glory!
