A NEW SEASON FOR THE CHURCH

From Sept. 1 to Oct. 4 each year, United Methodists will have a chance to join with Catholics, Eastern Orthodox Christians and fellow Protestants in observing the Season of Creation. The new addition to the church calendar honors the triune God's role as creator. This year it is based on a biblical vision of hope and ecological restoration.

The inauguration of this new season in the church year lines up with United Women in Faith's major theme for this quadrennium.
