Subject: Missions Fest Seattle - A Call to Serve in Prayer

Dear Friends in Jesus,

I hope that you have all had a year of joy and peace as you have come together in community to grow in the grace and the knowledge of our Lord Jesus Christ! I am sending this invitation to come and join other communities of believers as we have an opportunity to grow in unity as well as experience the grace of God together at this year's Missions Fest Seattle 2026. For the past 20 years, the Lord has never failed to impact lives through the key-note speakers, seminars, missions exhibits, and prayer opportunities available at Missions Fest. If we seek Him with our whole hearts, He will be found! This is a promise and He who has promised is faithful and true.

If you have not done so, please explore the new website for the event, taking place this **October 16th and 17th at Eastside Church in Bothell, Wa.** The speakers include Todd Ahren, founder and international director of "The Traveling Team," a national missions mobilization movement and Andrew Ginsberg, the President and CEO of "Operation Mobilization" (OM), overseeing the U.S. arm of the global organization seeking to create communities of Jesus followers in places with the least access to scripture. In addition, Pastor Jesse Bradley of Grace Church Auburn, Enoch Walter of Living For More, Filipe and Allison Machado of Steiger Ministries, and One Voice Worship will bring encouragement to consider our place and the ministry and mission God has called each of us to.

Also, this year, there will be a new missions-driven opportunity geared toward those who would be interested in receiving teaching and going out together immediately in mission during the event. Please check out the website for further details regarding participating in this opportunity!

For some of you this will be quite a distance to travel, yet this is an invitation, an opportunity, a free event, to grow, learn, and experience our Lord together among His people who are spread throughout our region. The Bible tells us that God has determined our times and our places. He has purposed us with the task of being His light and to carry the message of Jesus Christ -the Gospel- to a weary world.

Our Missions Fest Seattle theme this year is based on **1 Peter 2:9: For you are a chosen people, a royal priesthood, a holy nation, God's special possession that you may declare the praises of Him who has called you out of darkness into His wonderful light.** As people who have served in prayer for the conference in past years, I am asking you to mark your calendars and join me in praying for the 2026 conference.

I am also asking that you prayerfully consider coming and serving together in prayer onsite at Eastside. It is our hope that there will be ongoing prayer in the prayer room and over the entire event. Your help and service in prayer is absolutely necessary to the success of Missions Fest in 2026. If you are unable to attend, please consider praying, beginning even now, for all that God intends to do through Missions Fest Seattle this year. Registration opened on August 1st through the website: missionsfestseattle.org. Please email me directly if you choose to answer

the call to serve in prayer. The prayer room hours are: Friday 4:00-8:30pm and Saturday 9:00am-6:15pm. Please let me know what hours will work best for you and/or your group. I look forward to seeing you again and joining you in the prayer room, in bonds of peace, as we serve our God together.

2 Thessalonians 3:16

Now may the Lord of peace Himself give you peace at all times and in every way. The Lord be with all of you.

With Gratitude,

Pam Storz
