Hello to all generations!

You are "Called to Make a Difference!"

Missions Fest is a unique opportunity! Don't miss it! There are only a few such city-wide mission conferences that we know of in the entire USA. Many churches have wonderful missions' programs but here **there is an excitement, an electricity that is not matched & it's free!**

Our keynote speaker Friday evening is [Todd Ahrend](#), founder and International Director of [The Traveling Team](#), a national missions mobilization movement. Leading worship will be the popular group, [One Voice Worship Intl.](#) who will also lead us in another hour of worship after the evening session.

Saturday morning we'll feature [Jesse Bradley](#), [Enoch Walter](#), and [Filipe & Allison Machado](#) for the "God Is On the Move" session. In addition, they'll all do hour long seminars Saturday afternoon.

Our Saturday afternoon closing keynote speaker is [Andrew Ginsberg](#), head of [Operation Mobilization USA](#), one of the largest

missionary organizations in the world with worship again led by **One Voice Worship Intl.**

Throughout the conference there will be over [50 seminars](#) with topics everyone will find interesting and over [70 exhibitor booths](#). And don't miss [The Wall of the Unreached](#) - 2025 version.

Don't forget to tell your pastor about the special MFS [Pastors' Workshop](#) on Friday focusing on reaching the next generation. Also, share about the [Friday Field Trip](#) (FFT) for students grades 4 to 12. The FFT is for Christian schools as well as home-schooled kids & youth.

And **it's all FREE!** Sponsoring churches & exhibitors help underwrite the costs. **JOIN US & INVITE OTHERS!!**

Blessings to all!
