Built Different 4
"Nothing But Christ"

Get To Know You Question:

What is the most nervous you have ever been before speaking in front of people?

Let's Dig Deeper

Someone read **1 Corinthians 2:1-5**. Spend some time and share some key words that spoke out to you while reading. What is it about those words that spoke to you?

1. When have you seen someone's life change in a way that human effort alone could not explain?
2. Read **1 Corinthians 2:1-2**. What do Paul's choices challenge about the way we try to influence people?
3. What makes it difficult to let people see your weaknesses while you are serving God?
4. How can you tell when your desire to do something well has become a desire to impress people?
5. What part of the gospel do you find hardest to explain to someone who does not follow Jesus?
6. Read **Acts 18:9-10**. How might God's words to Paul change the way you approach a conversation you have been avoiding?
7. Where are you tempted to take responsibility for an outcome that belongs to God?
8. What experiences have helped you trust God when you felt unqualified?
9. Read **1 Corinthians 2:3-5**. What would change in your life if you took these verses seriously?
10. Why might someone wait until they feel more confident or spiritually mature before sharing their faith?
11. What is one person in your life you have quietly assumed will never respond to the gospel?

12. Read **Ezekiel 37:4–6**. What does Ezekiel’s assignment teach you about obeying God when the outcome seems impossible?
13. How can we share our faith honestly without feeling that we need a polished testimony or an answer to every question?
14. What does it look like to pray for someone while also being willing to speak with them about Jesus?
15. Read **Ezekiel 37:9–10**. Where in your life do you need to keep doing your part while trusting God for what only He can do?
16. How have you been a blessing to someone this week? Share.

Close in Prayer.
