Built to Grow
"The Mind of Christ"

Get To Know You Question:

What food did you refuse to eat as a child that you now enjoy?

Let's Dig Deeper

Someone read **1 Corinthians 2:6-8**. Spend some time and share some key words that spoke out to you while reading. What is it about those words that spoke to you?

1. What can make someone appear spiritually mature while keeping them from actually growing?
2. Read 1 Corinthians 2:6-8. How does this passage challenge the way we decide whose wisdom to trust?
3. How has your understanding of success changed as you have followed Jesus?
4. What makes it difficult to recognize worldly thinking when it sounds like common sense?
5. Read 1 Corinthians 2:10-12. How should these verses shape the attitude we bring to studying Scripture?
6. What has helped a biblical truth move from something you knew into something that changed how you lived?
7. How can we recognize when we are using Scripture to defend our opinions rather than allowing it to correct them?
8. Read 2 Kings 6:15-17. How does this encounter challenge the conclusions you draw when a situation seems hopeless?
9. What does your response to correction reveal about where you still need to grow?
10. How can we distinguish trusting God in a difficult situation from simply assuming He will give us the outcome we want?
11. Read Romans 12:2. Where do you see the tension described here playing out in your everyday decisions?

12. How might the content you regularly consume be shaping the way you treat people who disagree with you?
13. What would change in a strained relationship if your goal became reflecting Jesus rather than proving your point?
14. Read 1 Corinthians 2:14–16. How should this passage shape the way we engage someone who finds Christianity foolish?
15. What would meaningful spiritual growth look like in an area of your life where you have felt stuck?
16. How have you been a blessing to someone this week? Share.

Close in Prayer.
