The Legacy We Become 3
“Devoted to Becoming”

Get To Know You Question:

What is something you tried once and immediately knew you would never do again?

Let's Dig Deeper

Someone read **Acts 2:42-47**. Spend some time and share some key words that spoke out to you while reading. What is it about those words that spoke to you?

1. What repeated habit has shaped your character more deeply than you initially realized?
2. **Read Acts 2:42-47**. What most distinguishes this community from the way many Christians experience church today?
3. Why are moments of spiritual inspiration often easier to pursue than a consistent direction toward Jesus?
4. What influences are most actively competing with Jesus for our attention and devotion?
5. **Read Daniel 6:10**. What does Daniel's response reveal about the connection between ordinary faithfulness and extraordinary pressure?
6. How can we recognize the difference between genuine devotion and religious activity performed out of guilt?
7. What makes it difficult for people to allow God's Word to correct their thinking rather than merely confirm it?
8. **Read Hebrews 10:24-25**. What kind of relationships make this vision of Christian community possible?
9. In what ways can sharing ordinary meals help transform church acquaintances into spiritual family?
10. How does remembering the gospel protect us from both pride and shame?
11. **Read Acts 4:23-31**. What does this prayer reveal about the kind of help the early church expected from God?

12. What would make the shared life of a church compelling to people who do not yet follow Jesus?
13. How might our response to pressure reveal what has actually been forming us?
14. **Read Deuteronomy 6:4–9.** What would it look like for faith to become part of the ordinary rhythms of a household?
15. What are our present devotions teaching the people closest to us about what matters most?
16. We are Living Stones! What have you done this week to be a blessing to someone? Share.

Close in Prayer.
