A woman with long dark hair, wearing a brown sweater with a floral pattern, sits on a light-colored sofa. She is looking out a large window with a contemplative expression, her hand resting on her chin. On a small wooden table in front of her is an open book, a closed spiral notebook, and a steaming mug of coffee. The room is cozy, with a bookshelf filled with books and plants in the background. The window view is a surreal, heavenly landscape with a city of domes and spires floating in a sky filled with clouds, a bright sun, and planets. The text "What you think about Heaven, affects how you Live Today!" is overlaid in a large, bold, black serif font across the center of the image.
