It's Not Fair

Warm Up: Share an occasion when you felt it wasn't fair?

1. There is a natural drive for more/better that isn't wrong or negative. Where is the line when that drive becomes an issue?

2. There is a human tendency & temptation that leads to jealousy, envy & greed. Why do these become so destructive?

3. Some determine that since God is an equal opportunist for salvation that he is also an equal blessing provider. What do you think about 'Equal Grace but Varied Blessings'?

4. Read Matthew 25:14-30. What impacts the blessings?

5. Jealousy, envy & greed blind you from seeing God's work, rob you experiencing his blessings and ignite a fire of self-absorption. How has any of these touched your life?

6. What do you see is Peter's struggle as you read John 21:18-22?

7. What do you think about Jesus' answer to Peter?

8. What does that say to you when you feel something isn't fair?

You're encouraged to write what God brings to you during today's message.

Word for The Week (NLT)

"Give thanks in all circumstances; for this is God's will for you in Christ Jesus." **1 Thessalonians 5:1**

"A peaceful heart leads to a healthy body; jealousy is like cancer in the bones." **Proverbs 14:30**

"For wherever there is jealousy and selfish ambition, there you will find disorder and evil of every kind." **James 3:16**

"Then I observed all the work and ambition motivated by envy. What a waste! Smoke. And spitting into the wind." **Ecclesiastes 4:4**

"Make a careful exploration of who you are and the work you have been given, and then sink yourself into that. Don't be impressed with yourself. Don't compare yourself to others. Each of you must take responsibility for doing the best you can with your own life." **Galatians 6:4-5**
