The Resurrection!

5-17-26

Warm Up: What would be more willing to do without?
Conveniences for a year or financial stability for 6 months?

1. For some it is hard to imagine a new life, for others it becomes a constant struggle – a two step forward, one step back activity. What makes sustainable movement forward in life so difficult?
2. In John 11:25, Jesus declares he is the Resurrection & the Life and those who believe (turn their life to follow Jesus) will live. Jesus is the source of our future hope, but he is also beginning your Eternal Life today. What does it mean to you that Jesus is declaring his role as Life Giver?
3. Read these passages: Matthew 16:24, Romans 6:3-4, Galatians 2:20, & 5:24. Jesus is not challenging you to become a martyr or maimed for his sake. What does he want us to realize is necessary to follow him?
4. Jesus desires to resurrect New Life within you that will produce new fruit in your daily living. I believe that for this type of resurrection to take place, a daily death and burial is required. Greater sacrifice is not the prerequisite but rather deeper surrender? Agree or disagree? Explain.
5. What attitude, practice or habit needs to die in your life? Surrender it today.

The Resurrection!

You're encouraged to write what God brings to you during today's message.

Word for The Week (NLT)

I have been crucified with Christ and I no longer live, but Christ lives in me. The life I now live in the body, I live by faith in the Son of God, who loved me and gave himself for me. **Galatians 2:20**

Those who belong to Christ Jesus have crucified the flesh with its passions and desires. **Galatians 5:24**

Jesus said to her, "I am the resurrection and the life. The one who believes in me will live, even though they die;" **John 11:25**

Then Jesus said to his disciples, "Whoever wants to be my disciple must deny themselves and take up their cross and follow me." **Matthew 16:24**
