SPRING 2026

A NOTE FROM DR. BOB

CEO OF LEGACY IMPERATIVE

Dear Friend,

We started 2026 off on solid footings! Last year's incredible achievements, including a new website with streamlined resources and study guides, updated logo, Legacy app, and cost-free strategy, are already reaping tangible results. And we are continuously developing relevant resources and strategies to attract new users. We're effectively spreading the word about our unique approach to equipping grandparents and grand-people to connect with NextGen loved ones.

Here are a few quarterly highlights for you – the ones who make it all happen.

In sincerest gratitude,

CONNECTING HEARTS: AN EVENING WITH DR. BOB

Covenant Church's fellowship hall was overflowing with grandparents and parents at a recent Legacy *Connecting Hearts: Evening with Dr. Bob* event. All were eager to learn about our new resources and tools, and to have Dr. Bob answer their questions on today's toughest topics, and how to bring lasting faith to NextGen loved ones. Several grandparents also shared their personal concerns and grandparenting tips with us!

THE WORD IS OUT!

ACCELERATING SOCIAL MEDIA ENGAGEMENT

Since launching our new website and resources in late 2025, awareness of Legacy Imperative has grown dramatically. Thousands are now encountering our videos, studies, and tools online—many discovering Legacy for the first time. In fact, nearly 95% of those engaging with our social content in January were new visitors, meaning the message is reaching entirely new audiences. More grandparents are finding practical guidance and encouragement to help them build faith bridges with the next generations.
