

**Dear NEW Student Leader at TSC-YTH,**

*We are super proud of you for initiating an opportunity to serve with Thompson Station Church Youth. “Serve” is the third component of our church markers for every Spirit-filled Christ follower that is a part of our community at TSC. Before you sign off on serving, we ask that you evaluate your church involvement to see if you are also worshipping and connecting as well! We LOVE to see all of our people serving, but we want to ensure that all of our youth volunteers are pouring out, what is being poured into them. Thank you!*

**Here are our opportunities each week to Worship and Serve:**

**Worship**

- **Multi-Generational Worship with the congregation of our church**
  - **Sundays at 11:00am**
- **MDWK/City Nights**
  - **Wednesday nights**

**Connect**

- **Life Groups every Sunday Morning at 9:30**
  - **We also encourage connecting through a D-group**
  - **(this should not serve as a replacement for your Life Group)**

Please see [www.tsclife.org/what-we-believe](http://www.tsclife.org/what-we-believe) to review our beliefs.

If you are worshipping and connecting each week and actively engaging in the life of our church, we are PUMPED to have you join one of our Youth Influence Teams!
