

Student Uniform Guide

Our goal is simple: help our students look sharp, feel good, and be ready to learn without making shopping overly complicated or expensive.

The Look, Head to Toe:

✓ **Top It Off**
Students shirts should be collared Light Blue or Navy with standard or long sleeves.

✓ **Buckle Up**
A black or brown belt can help students get the perfect fit.

✓ **Noteworthy Navy**
Boys pants, and girls dresses or skirts should be classic Navy Blue. (Clear Blue Plaid is optional for girls.)

✓ **Step Into Style**
Navy, White, or Black socks paired with black closed toe shoes are in style.
