OTHER IMPORTANT DETAILS:

● BE IN GOOD HEALTH!

Please keep in mind that this is a fairly active trip. Accessible/handicapped rooms are not available, and travelers should be comfortable walking independently on hills, inclines, uneven or rocky terrain, and for extended distances. Each traveler must also be able to manage and carry their own luggage throughout the trip.

● MEMBERS/REGULAR ATTENDERS:

This trip is reserved for members and regular attenders of our church. If all available spots are not filled, registration will then open to non-members and others on a first-come, first-served basis.

● PASSPORT REQUIREMENTS:

Although our cruise departs from and returns to Seattle, Norwegian Cruise Line strongly recommends that all guests travel with a valid U.S. passport. A passport may be required if you miss the ship's departure and must fly internationally to meet it, or if an unexpected situation requires you to leave the ship at a foreign port and fly home. Additionally, international ports of call may change their entry requirements and require guests to present a valid passport to go ashore. For these reasons, we **strongly recommend** that every traveler obtain a valid U.S. passport before our trip. (Also, Norwegian Cruise Line **strongly recommends** having a passport valid for 6 months beyond travel for emergency air travel or unexpected international disembarkation.)
