MSM FELLOWSHIP CHURCH

OVERVIEW:

October 11, 2026

The Church is much more than a building or a place we gather; it is a people who belong to Jesus and are being shaped by His Spirit.

As we understand what it means to be the Church, we will see that we are not only a people, but also a family, and a united body, called to live and grow together in Christ.

Ways To Encourage Your Student

- Ask your student what stuck out to them about Dylan's sermon.
- Have a conversation with your student about how the church body can help one another grow in Christ. Share an example from your own life when this has happened.
- Brainstorm together ways your student can encourage others who are a part of his/her church body in their relationship with Jesus.
- Pray for your student to have a desire to be a committed part of the church body.
