John 17:1-13

Today, we took a look at what the Bible says the Christian Life is all about.

As we walk with Jesus, we can often times wonder, “am I missing something?” If we think the point of being a Christian is to get into heaven, we can wonder, why does it matter that I read my Bible? Why does it matter if I follow all these rules? For those of us who haven’t decided to walk with Jesus, it may be because we may not really get the whole point of a relationship with Jesus.

In John, Jesus tells us what He means by eternal life - knowing God. The whole point is that we get to be in a relationship with God. Life with God isn’t just about the future (heaven), it’s about now! A relationship with Jesus changes how we think about everything!

Ways To Encourage Your Student

- Ask your student what stuck out to them about Zach’s sermon.
- Ask your student if after Zach’s sermon they think about being a Christian differently? If so, how?
- Share with your student how a life with Jesus has changed the way you think about life.
