HOLD FAST

MSM FELLOWSHIP CHURCH

OVERVIEW:

September 13, 2026

Hebrews 10:23-25

This week, Mallory will continue our series, Hold Fast - about community.

Our current culture tells us that, really life is all about us, encouraging us to focus on ourselves first. The Bible tells us the exact opposite. When in community with others, we should not be looking for how that community benefits us, but instead how we can benefit those we are in community with.

Our role in community is to use our Influence, time and words to provoke others to love and good works.

Ways To Encourage Your Student

- Ask your student what stuck out to them about Mallory's sermon.
- Have a discussion about how your student can consider others in their spiritual community. Brainstorm some ways he/she can "provoke others to love and good works."
- Talk about why it can be hard to be consider others before ourselves. Think of ways to fight against our natural inclination to put ourselves first.
