

PARENT CUE

MSM FELLOWSHIP CHURCH

OVERVIEW:

May 31, 2026

As summer begins, Dylan's message will encourage students to think carefully about where their attention and devotion go when life becomes less structured. Drawing from the story of Israel, who were rescued by God but gradually drifted into distraction and divided loyalty, students will be reminded that it is easy to become a "God and" people, adding good things like activities, relationships, or entertainment alongside God until He is no longer central. Dylan's message will call for believers to remember what God has done and live as a "God only" people, fully devoted to Him.

Ways To Encourage Your Student

- Ask your student what stuck out to them about Dylan's sermon.
- Have a discussion about the possible things that could distract them from their relationship with God this summer?
- Brainstorm some ways to protect this from happening. Ask how you can hold them accountable.
