MIDDLE SCHOOLER'S GUIDE TO LIFE WITH JESUS

MSM FELLOWSHIP CHURCH

OVERVIEW:

November 1, 2026
Acts 2:42

Zach continues our series as he teaches about what Life with God looks like for a middle school student.

We see in Acts , a key aspect of a believer's life is that they were devoted to going to church - they didn't just show up, but were active participants in the church. What does it look like for us to have a similar devotion to our church?

- **We can be devoted to the teaching by being engaged as the pastor is teaching: actively listen, take notes, discuss the sermon afterwards with friends/family - all so that we can actually learn from the words spoken.**
- **We can be devoted to fellowship by being committed to life group, being wiling to be vulnerable, honest and open with our community.**
- **We can be devoted to worship by actively participating - sing! Singing grows our faith.**

Growing In our faith requires devotion to going to church. We can't expect to just show up and be formed more in the image of Jesus.

Ways To Encourage Your Student

- Ask your student what stuck out to them about Zach's sermon.
- Honestly evaluate with your student how devoted your family is to going to church. Give some examples.
- Ask your student how you can encourage them to grow in this area of their faith.
