VOL. 14 NO. 9 - WEEK OF MARCH 3<sup>RD</sup>, 2026

## MARCH 2026 IN CROSSKIDS

At every age, we soak in the Word and teach our children truths that we pray change lives and help families establish a firm foundation in Christ. We hope to prepare our children for battles and hardships that occur in the world. We have no hope of gracefully handling difficult times if we do not have hope in our Lord and Savior, Jesus Christ.

Parents, check out the memory verses that your children are learning. You are encouraged to learn it with them! Make a game of it each night at dinner and see who can say the entire verse by memory every night. What happens when we commit scripture to memory? We commit it to heart. It pops back up when we need it.

### Pre-K: Countdown To Easter 6-Week Preschool Curriculum

Journey to the Cross - So much happened during the last week of Jesus' life, as he prepared to make the ultimate sacrifice for us. This series is designed to be used during the six weeks before Easter, to show the events leading up to and including Jesus' death on the cross, where He made a way for us to be saved. Little ones will study Jesus' final week before the cross.

**Memory Verse:** "But here is how God has shown his love for us. While we were still sinners, Christ died for us." Romans 5:8 (NirV)

### Elementary: Teach Kids About Some of Jesus' Coolest Miracles

Miracles - By looking at some of Jesus' miracles, kids will see that God loves them and has the power to save them. Following Jesus had to be simply amazing. He was always doing the impossible! In this series, kids will learn through Jesus' miracles that God is strong enough to save them and give them eternal life.

**Memory Verse:** "For God did not send his Son into the world to condemn the world, but to save the world through him." John 3:17
