Where It's All About JESUS

Help us bring thousands together for the fifth year in a row!

For the last 4 years, Food Trucks & Fireworks has drawn crowds from every corner of Northeastern Arkansas and beyond. What started as a humble desire to bring 1,000 people together for an Independence Day celebration has grown bigger and bigger each year!

This is our **BIGGEST** year yet!

Last year, we had a total of 31 food trucks (with even more on waitlists for future events), and the crowds' parking took up our entire church campus by the end of the night. This year we are looking to expand our capacity for Food Trucks, Attractions, and even bigger crowds!

Please check out our available sponsorship tiers below and see how your business can be at the front of the action at Food Trucks & Fireworks this year!
