NEW MISSION PROJECT for fourth quarter of 2026. Teen Challenge/General Fund. Watch for details.

MEA INFORMATION is posted on the bulletin board including registration, upcoming events, a host of QR Codes, phone numbers, and list of items for volunteers to be involved.

MANY OF YOU ARE NEEDING TO BECOME CLEARED (or update your clearance) as a Sterling Volunteer (this is not new!). If you are an elder, deacon/deaconess, children’s SS teacher/assistant, or anybody in contact with children, you need to do it every 3 years. You can do that here (if you already have an account and your clearance needs updating, just sign in and start the training/background check). If you do not have an account, please view a “Tutorial” here to get started: <https://www.mtcsda.org/sterlingvolunteers>. Note: when you have finished the training module, click on the button that takes you to a short form where you apply for the background check! If you have any technical issues, please talk to your local Sterling coordinator or call: 406-414-9890. (Conference Office) Thank you!

TAKE VACS SURVEY AND WIN GIFTS. All information is on our KSDA bulletin board.

As email and text messaging continue to be useful ways for us to stay connected, we want to share a friendly reminder about keeping our personal and church information safe.

Sadly, from time to time, we hear of scammers sending messages that appear to come from someone you know or trust, including the pastor or church leaders. These messages may ask for financial assistance, gift cards, personal information, or access to church records.

Please remember: Our pastor and church leaders will never contact you by email or text asking you to send money, purchase gift cards, provide sensitive personal information, or share confidential church records.

If you ever receive a message that seems unusual or unexpected, we encourage you to:

- Pause before responding or clicking any links.
- Verify the request by contacting the person directly using a phone number you already know.
- Let church leadership know if you receive something suspicious.

Email and text messaging remain valuable tools for keeping our church family informed and connected. A little awareness helps ensure we can continue using them safely and confidently.
