"Then I saw another angel flying in midair, and he had the eternal gospel to proclaim to those who live on the earth—to every nation, tribe, language, and people. He said in a loud voice, "Fear God and give him glory, because the hour of his judgment has come. Worship him who made the heavens, the earth, the sea, and the springs of water.

OUR DEEPEST SYMPATHY for Heidi Raab and family with the loss of her son, Erick Boothman who recently passed away. Please keep the family in prayer.

Hello church family. I would like to pass on the unfortunate news that my 26-year-old son, Erick, passed away on October 16th from a single vehicle accident on Farm to Market Road. Some of you may remember him from when he attended the old church building. If you remember him, and would like to attend, we will be having a service for him at the church on November 1st at 11am. For those who did not meet him and/or do not remember him, prayers for the family are still greatly appreciated. He is survived by his brother Natmeett and his mother Heidi. Thank you and God bless.—Heidi Raab

As email and text messaging continue to be useful ways for us to stay connected, we want to share a friendly reminder about keeping our personal and church information safe.

Sadly, from time to time, we hear of scammers sending messages that appear to come from someone you know or trust, including the pastor or church leaders. These messages may ask for financial assistance, gift cards, personal information, or access to church records.

Please remember: Our pastor and church leaders will never contact you by email or text asking you to send money, purchase gift cards, provide sensitive personal information, or share confidential church records.

If you ever receive a message that seems unusual or unexpected, we encourage you to:

- Pause before responding or clicking any links.
- Verify the request by contacting the person directly using a phone number you already know.
- Let church leadership know if you receive something suspicious.

Email and text messaging remain valuable tools for keeping our church family informed and connected. A little awareness helps ensure we can continue using them safely and confidently.
