Men of Woodstream Save the Date!
On **June 13th** the Health & Wellness Ministry will sponsor our annual Men's Health event from 10am to 1pm. Our theme this year is "Breaking the Silence on Men's Mental Health"

We know many of us are challenged with stressors in our lives and all too often we attempt to navigate these seasons of life alone. Come on out and listen and interact with our guest speakers and others and glean a few tools that will assist in relieving stress and improving our mental well being.

Please register and share with friends and family.
