WOODSTREAM CHURCH ANNOUNCEMENTS

Sep 20, 2026

**The next Marriage and Family Ministry Modern Parenting Lab is coming up
Saturday, October 3, from 9:00–10:30 a.m. on Zoom!**

This quarter's topic is Career Compass Roadmap. We'll explore foundational building blocks parents can use to help their children recognize their strengths and interests, explore possibilities, and begin making thoughtful decisions about their future.

Whether your child is already talking about careers or has absolutely no idea what they want to do, this Lab is designed to give you practical ways to guide the conversation. Scan the QR code on the flyer at the MFM table to register.

Marriage Life Groups for the fall are in session.

Groups are available for all married couples using material from
How We Love ministry.

Learn more about the relationship patterns you and your spouse bring into marriage, how those patterns can affect communication, conflict, and connection, and practical ways to strengthen your relationship.

Groups will meet Sundays during the Sunday School hour (approximately 9:45–10:30 a.m.) and Thursday evenings beginning at 6:30 p.m., with both virtual and hybrid options available.

Whether you're newly married or have been married for decades, come intentionally invest in your marriage!

Understand your patterns. Strengthen your connection. Grow together.

Complete the online sign-up form or scan the QR code
at the Marriage & Family Ministry table in the church foyer to receive group details.
