DON'T EAT YOUR SEED

GENESIS 8:22 (KJV)

PASTOR MITCH SUMMERFIELD

SUNDAY, SEPTEMBER 6, 2026

1

YOU CANNOT REAP WHAT YOU REFUSE TO SOW.

- Everything we reap is connected to what we sow. No seed, no harvest.
- If we want a different outcome, we must be willing to sow a different kind of seed.
- Sowing is an act of faith that positions us for future blessings.

SCRIPTURE

- **Genesis 8:22 (KJV)**
While the earth remaineth, seedtime and harvest, and cold and heat, and summer and winter, and day and night shall not cease.
- **2 Corinthians 9:6 (KJV)**
But this I say, He which soweth sparingly shall reap also sparingly; and he which soweth bountifully shall reap also bountifully.

KEY TRUTH:

What you sow matters. What you sow now, in faith, will always produce a harvest. Don't eat your seed!

2

YOU MUST DISCERN BETWEEN BREAD AND SEED.

- Not everything in your hand is for your consumption. Some of what you have is meant to be sown.
- Bread satisfies temporary needs; seed produces future increase.
- If you eat what should be sown, you'll miss the harvest God intended for you.

SCRIPTURE

- **Matthew 6:31-33 (KJV)**
But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you.
- **Luke 8:11 (KJV)**
Now the parable is this: The seed is the word of God.

Notes

3

YOUR SEED MUST SURVIVE INVISIBILITY.

- There is a season between sowing and seeing where it appears nothing is happening.
- Your seed must be able to survive in the ground — in the dark, in the unknown, and in the wait.
- Don't dig it up, doubt it, or give up on it before it has time to produce.
- What you can't see now is still working.

SCRIPTURE

- **Mark 4:26-29 (KJV)**
For the kingdom of God is as if a man should cast seed into the ground; ... and should spring and grow up, he knoweth not how.
- **Galatians 6:9 (KJV)**
And let us not be weary in well doing: for in due season we shall reap, if we faint not.

WEEKLY CHALLENGE

Identify one area where God is asking you to sow this week — in your seed, your service, or for souls. Take a step of obedience and trust God for the increase. Don't eat your seed!

4

GOD MULTIPLIES WHAT IS SOWN.

- When you sow in obedience, God is able to multiply it beyond what you imagined.
- Your seed can produce fruit for you, for others, and for generations.
- Sow in faith, sow consistently, and watch God bring the increase.

SCRIPTURE

- **2 Corinthians 9:8-10 (KJV)**
And God is able to make all grace abound toward you; that ye, always having all sufficiency in all things, may abound to every good work... Now he that ministereth seed to the sower both minister bread for your food, and multiply your seed sown, and increase the fruits of your righteousness.

PRAYER FOCUS

Lord, help me to be a faithful sower. Give me the discipline to sow in faith, the patience to wait for the harvest, and the wisdom to discern between bread and seed. Multiply what I sow for Your glory. In Jesus' name, Amen.

TAKEAWAY

Sowing is not a loss. It's an investment. Don't eat your seed. Stay faithful. The harvest is coming!

BIG REMINDER

Be intentional with what God has placed in your hands. Guard your seed, stay the course, and keep sowing!

What you sow today will speak tomorrow!
